

**FROM THE DESK OF BRENDON BURCHARD**

#1 *New York Times* Best-Selling Author

Top 100 Most Followed Public Figures on Facebook

“One of the top motivation and marketing trainers in the world.” —Larry King

Friends,

I'm thrilled to spend three days with you sharing advanced strategies on personal achievement and high performance.

I'll be teaching you my High Performance Academy GPS System for free!

**The agenda is on the following pages.**

You can reach much higher levels of success and long-term progress. You just need to know how.

That's why I'm doing this. You guys have been so extraordinary to me these last few years, helping me become one of the most watched, quoted, and followed personal development trainers in history. Over 50,000,000 people watched my videos and 4.6 million follow us on Facebook. And you helped my book *Life's Golden Ticket* receive over 600 5-Star Reviews and become a USA Today bestseller! It's a dream come true.

So I'm giving back with this unprecedented live broadcast event.

I'm told I was the first person in history to live broadcast, for free, the entire filming of a comprehensive multi-week online course (at least before its release and public sale).

You guys loved it, so I've wanted to do it again for a while.

I just thought it would be cool and innovative, and a great gesture of thanks to all those who helped me get started.

It all starts Monday, July 18th and goes through July 20th. The full agenda is on the next page. Tune in as much as you want.

Sorry, there will NOT be a replay, because this really is a training course that I'm going to sell later for hundreds of dollars. The final course will be professionally produced and have downloads, tools, community forums, etc. I just thought that since I'm there I might as well give you a behind-the-scenes and full access while I can.

Until I "see" you on the livecast, go out there every day of your life and live fully, love openly, and make your difference today.

Brendon
